RESERVE OF OFFICERS.

The attention of Reserve Officers is particularly directed to the following Regulation:—

An Army Reserve Officer shall report himself at the commencement of each year, in writing, to the Secretary of the War Office. Should he fail to do so he shall (unless he be an Officer retired from the Regular Forces with liability for further service in case of emergency) be removed from the Reserve of Officers at the end of the year in which he fails to report himself.

Reserve Officers reporting themselves in compliance with this Regulation, will, at the same time, furnish their addresses for the current year; and any subsequent change of address should be at once notified to the War Office.

Reserve Officers accepting service under any Government Department, County, Borough, or Municipal Authority should notify the fact to the Secretary of the War Office as soon as possible.

[Officers whose names are printed in Italics are not immediately available for Army Service though liable to be recalled thereto.]

[Officers marked thus § are voluntarily in the Reserve of Officers.]
